Fire Evacuation Plan / Fire Drill.

More on the upcoming fire drill on 26/27 August 2023, immediately after Holy Communion. Please:

- do not double park in car parks or block gates, preventing access for emergency vehicles.
- do not sit or stand in exits or aisles.
- walk, do not run.
- co-operate when instructed.
- leave bulky items behind.
- familiarize yourself with the exits.
Note: your nearest exit might be unusable or be behind you.
- look around you; who near you might need assistance?
- At St Martha's the muster point is the grassy area on the corner of Birkdale / Cooden Sea Road.
- At St Mary Magdalene, the muster point is the pavement on 'Magdalene Road', outside the hall.
- The Deacon or MC is responsible for evacuating the Altar Servers.
- The duty organist is responsible for evacuating any children or vulnerable adults in the choir.
- do not re-enter until the 'all clear'.

The aim of the exercise is to learn lessons, so there may be issues, so be patient and look out for one another. Thank you.

The Assumption of the Blessed Virgin Mary, body and soul, into Heaven (15th August).

The formal definition of the Assumption came in 1950 after the Vatican was flooded with requests following the formal definition of the Immaculate Conception the century before, the Assumption being the logical consequence of Mary's sinless conception and reward for remaining sinless in life, meaning she is spared the corruption or decay of the body, and takes the fastest route to heaven. This, then, is a matter of justice. Mary is present in heaven as a complete person, body, and soul; we will have to wait for the resurrection of the body on the last day to experience the fulness of redemption. For now, we, like the other saints, can only hope that our souls rest peacefully in the heavenly kingdom. The understanding of Mary's Assumption is far more ancient than 1950, with the tomb of the 2nd century Zaragoza Martyrs (Spain) depicting an image of the Assumption. The Dormition (*or falling asleep*) of Mary was celebrated liturgically from 4th Century, and to this day there are no relics of Our Lady, which is notable in a Church that gathered up the bones of their saints. For instance, Smyra collected the relics of Polycarp and St Peter's Basilica in Rome is built over his grave; and yet neither Jerusalem nor Ephesus (*where John made a home for Our Lady*) claim any relics. St John Damascene (8th Century) implies that the same singular holiness and grace that allowed her to be the Mother of God, means she continues to be intimately united to Christ. Thus, the Assumption is a Son's love for His Mother, who would not separate himself from her. He who preserved her spotless virginity, before, during and after birth now surely preserves her body from decay. It seems, then, that God wishes that the Ark of the New Covenant be returned to heaven, where she will be crowned Queen of Heaven. God Bless. Fr Simon.

Along with an anniversary Mass, we hope to have other events that highlight the best of our parish and give us some time to explore the next period in the life of our parish in the light of the Diocesan Pastoral Plan. We call it an 'ignition' weekend, as Christians desire to be on 'fire with the Spirit'. Members of our Parish Strategy Group will be contacting our parish groups to help firm up our plans.
